

Accommodation suggestions

The classroom sessions of the course will be held at YHA Swanage and the field sites will be within 30 mins of Swanage.

Unfortunately Dorset is a very popular area and August is a particularly busy time. This is reflected in the prices.

The earlier you can book, the better your chance of securing a relatively cheap room. It can also be worth comparing prices on different websites. (Prices correct Feb 2019) These suggestions are based on internet searches and are not recommendations from personal experience, you may also wish to consult online reviews for a property.
